

****Are you the copyright holder or authorized to act on the copyright owner's behalf? If you are submitting this notice on behalf of a company, please be sure to use an email address on the company's domain. If you use a personal email address for a notice submitted on behalf of a company, we may not be able to process it.****

Yes, I am authorized to act on the copyright owner's behalf.

****Are you submitting a revised DMCA notice after GitHub Trust & Safety requested you make changes to your original notice?****

No

****Does your claim involve content on GitHub or npm.js?****

GitHub

****Please describe the nature of your copyright ownership or authorization to act on the owner's behalf.****

We are [private] to Spotify AB and Spotify USA, Inc. (collectively, "Spotify").

****Please provide a detailed description of the original copyrighted work that has allegedly been infringed.****

Spotify is a leading global streaming subscription service that provides users access to content from artists and podcasters all over the world. Spotify users access this content through several platforms, including the Spotify desktop app on PC and Mac and Spotify's mobile applications. Spotify owns copyrights in its desktop and mobile application software ("Spotify Copyrights"). Spotify's desktop and mobile application software can be downloaded at the following link:

<https://www.spotify.com/us/download/other/>.

The files identified below were derived from unauthorized copies of the Spotify Copyrights and/or the files identified below are derivative works based on the Spotify Copyrights.

****If the original work referenced above is available online, please provide a URL.****

Spotify's desktop and mobile application software can be downloaded at the following link:

<https://www.spotify.com/us/download/other/>.

****We ask that a DMCA takedown notice list every specific file in the repository that is infringing, unless the entire contents of the repository are infringing on your copyright. Please clearly state that the entire repository is infringing, OR provide the specific files within the repository you would like removed.****

****Based on the above, I confirm that:****

Specific files within the repository are infringing

****Identify only the specific file URLs within the repository that is infringing:****

<https://github.com/ReVanced/revanced-patches/pull/4644>

****Do you claim to have any technological measures in place to control access to your copyrighted content? Please see our [a href="https://docs.github.com/articles/guide-to-submitting-a-dmca-takedown-notice#complaints-about-anti-circumvention-technology"](https://docs.github.com/articles/guide-to-submitting-a-dmca-takedown-notice#complaints-about-anti-circumvention-technology) Complaints about Anti-Circumvention Technology** if you are unsure.

Yes

****What technological measures do you have in place and how do they effectively control access to your copyrighted material?****

Spotify employs technological measures that control how users access the copyrighted content hosted on Spotify. These measures include, but are not limited to, encryption and designing a protocol for the use of transfer keys that is complex and difficult to decipher.

****How is the accused project designed to circumvent your technological protection measures?****

Spotify contends that the files identified above are made via unauthorized copying of Spotify's Copyrights and/or are unauthorized derivative works of Spotify's Copyrights, and directly infringe Spotify's Copyrights.

****If you are reporting an allegedly infringing fork, please note that each fork is a distinct repository and *must* be identified separately. Please read more about [a href="https://docs.github.com/articles/dmca-takedown-policy#b-what-about-forks-or-whats-a-fork"](https://docs.github.com/articles/dmca-takedown-policy#b-what-about-forks-or-whats-a-fork) forks. As forks may often contain different material than in the parent repository, if you believe any of the repositories or files in the forks are infringing, please list each fork URL below:****

****Is the work licensed under an open source license?****

No

****What would be the best solution for the alleged infringement?****

Reported content must be removed

****Do you have the alleged infringer's contact information? If so, please provide it.****

No.

****I have a good faith belief that use of the copyrighted materials described above on the infringing web pages is not authorized by the copyright owner, or its agent, or the law.****

****I have taken fair use into consideration.****

****I swear, under penalty of perjury, that the information in this notification is accurate and that I am the copyright owner, or am authorized to act on behalf of the owner, of an exclusive right that is allegedly infringed.****

****I have read and understand GitHub's Guide to Submitting a DMCA Takedown Notice.****

****So that we can get back to you, please provide either your telephone number or physical address.****

[private]

****Please type your full name for your signature.****
